Re: HLAI 25th Anniversary Virtual Soiree and Awards Ceremony

This year marks our organization's historic 25th Anniversary and we are most excited to celebrate this historic event and hope you will join us. Although we could not be together as planned at our annual gala and induction ceremony, we invite you to celebrate all of our accomplishments over the past bar year and usher in our new leadership at the 25th Anniversary Virtual Soiree & Awards Ceremony. This virtual event will take place Friday, October 9, 2020.

This year's event is a celebration of our many successes over the last few decades, including, the JD Mentors pipeline mentoring program, the Latina Lawyers Commission initiative, the In-House Counsel Committee's Ascension al Poder Series, and numerous CLE panel presentations focused on diversity and inclusion. Most importantly, we will recognize notable members with awards, and presenting several bar preparation and summer stipend scholarships to law students.

I would like to personally invite you to this virtual celebration and ask you and your organization to consider supporting HLA I and HLA I Charities and as one of the state's premier bar associations. This year has been difficult for all of us, but we ask for your support to continue offering the same quality programming to our members and law students. Enclosed with this letter is a sponsorship packet with additional information for your review and consideration.

With the unfailing support from HLA I members and colleagues like you, HLA I helps to continue to positively impact the legal community and community-at-large for more decades to come.

Thank you in advance for your continued support and please let me know if we can help answer any questions you may have.

Sincerely,

Janneth Lanini
President,
Hispanic Lawyers Association of Illinois
